

8 May 2018

Dear Wilson,

Today is national "Teacher Appreciation Day." I wanted to send you my appreciation for the ways you support our students through your commitments to teaching and learning, your research, and your service. You enrich our university community.

Thank you for being at EOU—we are lucky you are here.

Sincerely,

  
Sarah

Thanks for your  
work with students  
and wanting the very  
best for them.
