Subject: Happy Thanksgiving (BA 503, Yu Rong, Joy)

Hi Professor Wilson,
I apologize for such a late Thanksgiving greeting. Hope you enjoy a great Thanksgiving with families and friends. Thank you for leading me to the world of MBA. Although BA 503 is an online course which doesn't allow students and teacher to have conversations face-to-face, I do feel the exchange of information via online discussion. Thank you for providing us with a great platform to change ideas and thoughts, thank you for showing us many interesting cases (every week I learned about new companies which I never heard before). Thank you for all the things you have done, I really appreciate that. Have a great weekend :-)
Joy.

Subject: Thank you Professor Wilson!

Hi professor Wilson,
I hope you and your family are safe and healthy. :)
So, I finally got accepted by the University of Nevada, Reno, and will go there this fall to get a further education (Ph.D. in Business Administration, so far I am thinking to concentrate on organizational behavior). It is very exciting! I just want to thank you for contributing your time and efforts to help me to make this wish happen.
Best,
Joy.
