Dear Wilson,

On behalf of the entire VentureWell team, I'd like to thank you for attending **OPEN 2021!** This is our **25th year** of gathering our community, and this year's convening was filled with the collaborative, joyful spirit and open, engaged dialogue that have come to define this event.

I hope that you found the conference valuable and that you've gained in-depth insight into pressing topics in higher ed innovation and entrepreneurship, as well as actionable and practical tools and frameworks that can be applied to your work.

Your presence helped to make this event a great success and your enthusiasm and positive spirit helped make our time together both productive and fun.

Please be on the look-out for our post-event survey, which will be delivered to your inbox on Monday. Your comments and feedback in that survey will be invaluable in helping us design future successful conferences and events.

We look forward to continuing to engage with you. Together we will transform the world through innovation.

Warm regards,
